17.10 **Termination**

- 17.10.1 Subject to the terms of the Intercreditor Agreement (if any), if an Event of Default has occurred and is continuing, the Agent is entitled to, and shall following a demand in writing from a Bondholder (or Bondholders) representing at least fifty (50.00) per cent. of the Adjusted Nominal Amount (such demand shall, if made by several Bondholders, be made by them jointly) or following an instruction or decision pursuant to Clause 17.10.3 or 17.10.5, on behalf of the Bondholders, by notice to the Issuer terminate the Bonds and to declare all, but not some only, of the Bonds due for payment immediately or at such later date as the Agent determines (such later date not falling later than twenty (20) Business Days from the date on which the Agent made such declaration) and exercise any or all of its rights, remedies, powers and discretions under the Finance Documents.
- 17.10.2 The Agent may not terminate the Bonds in accordance with Clause 17.10.1 by reference to a specific Event of Default if it is no longer continuing or if it has been decided, in accordance with these Terms and Conditions, to waive such Event of Default (temporarily or

permanently). However, if a moratorium occurs, the ending of that moratorium will not prevent termination for payment prematurely on the grounds mentioned under Clause 17.10.1.

- 17.10.3 The Agent shall notify the Bondholders of an Event of Default within five (5) Business Days of the date on which the Agent received notice of or gained actual knowledge of that an Event of Default has occurred and is continuing. Notwithstanding the aforesaid, the Agent may postpone a notification of an Event of Default (other than in relation to Clause 17.1 (*Non-payment*)) up until the time stipulated in Clause 17.10.4 for as long as, in the reasonable opinion of the Agent such postponement is in the interests of the Bondholders as a group. The Agent shall always be entitled to take the time necessary to determine whether an event constitutes an Event of Default.
- 17.10.4 The Agent shall, within twenty (20) Business Days of the date on which the Agent received notice of or otherwise gained actual knowledge of that an Event of Default has occurred and is continuing, decide if the Bonds shall be so accelerated. If the Agent has decided not to terminate the Bonds, the Agent shall, at the earliest possible date, notify the Bondholders that there exists a right of termination and obtain instructions from the Bondholders according to the provisions in Clause 18 (*Decisions by Bondholders*). If the Bondholders vote in favour of termination and instruct the Agent to terminate the Bonds, the Agent shall promptly declare the Bonds terminated. However, if the cause for termination according to the Agent's appraisal has ceased before the termination, the Agent shall not terminate the Bonds. The Agent shall in such case, at the earliest possible date, notify the Bondholders that the cause for termination has ceased. The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.
- 17.10.5 If the Bondholders, without any prior initiative to decision from the Agent or the Issuer, have made a decision regarding termination in accordance with Clause 18 (*Decisions by Bondholders*), the Agent shall promptly declare the Bonds terminated. The Agent is however not liable to take action if the Agent considers cause for termination not to be at hand, unless the instructing Bondholders agree in writing to indemnify and hold the Agent harmless from any loss or liability and, if requested by the Agent in its discretion, grant sufficient security for such indemnity.
- 17.10.6 If the Bonds are declared due and payable in accordance with the provisions in this Clause 17, the Agent shall take every reasonable measure necessary to recover the amounts outstanding under the Bonds.
- 17.10.7 If the right to terminate the Bonds is based upon a decision of a court of law, an arbitral tribunal or a government authority, it is not necessary that the decision has become enforceable under any applicable regulation or that the period of appeal has expired in order for cause of termination to be deemed to exist.

- 18.4.13 Information about decisions taken at a Bondholders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Bondholders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Bondholders' Meeting or Written Procedure shall at the request of a Bondholder be sent to it by the Issuer or the Agent, as applicable.

19. AMENDMENTS AND WAIVERS

- 19.1 The Issuer and the Agent (acting on behalf of the Bondholders) may agree in writing to amend the Finance Documents or waive any provision in the Finance Documents, provided that the Agent is satisfied that such amendment or waiver:

 - (c) is required by applicable regulation, a court ruling or a decision by a relevant authority;

20. BASE RATE REPLACEMENT

20.1 General

- 20.1.1 Any determination or election to be made by an Independent Adviser, the Issuer or the Bondholders in accordance with the provisions of this Clause 20 shall at all times be made by such Independent Adviser, the Issuer or the Bondholders (as applicable) acting in good faith, in a commercially reasonable manner and by reference to relevant market data.
- 20.1.2 If a Base Rate Event has occurred, this Clause 20 shall take precedent over the fallbacks set out in paragraph (a) to (d) of the definition of EURIBOR.

20.2 Definitions

- 20.2.1 In this Clause 20:

“Adjustment Spread” means a spread (which may be positive, negative or zero) or a formula or methodology for calculating a spread, or a combination thereof to be applied to a Successor Base Rate and that is:

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

“Base Rate Amendments” has the meaning set forth in Clause 20.3.4.

“Base Rate Event” means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;
- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;
- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;
- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Bondholder using the

applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);

- (e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) or in respect of EURIBOR, from the equivalent entity with insolvency or resolution powers over the Base Rate Administrator, containing the information referred to in (b) above; or
- (f) a Base Rate Event Announcement has been made and the announced Base Rate Event as set out in (b) to (e) above will occur within six (6) months.

“Base Rate Event Announcement” means a public statement or published information as set out in paragraph (b) to (e) of the definition of Base Rate Event that any event or circumstance specified therein will occur.

“Independent Adviser” means an independent financial institution or adviser of repute in the debt capital markets where the Base Rate is commonly used.

“Relevant Nominating Body” means, subject to applicable law, firstly any relevant supervisory authority, secondly any applicable central bank, or any working group or committee of any of them, or thirdly the Financial Stability Board or any part thereof.

“Successor Base Rate” means:

- (a) a screen or benchmark rate, including the methodology for calculating term structure and calculation methods in respect of debt instruments with similar interest rate terms as the Bonds, which is formally recommended as a successor to or replacement of the Base Rate by a Relevant Nominating Body; or
- (b) if there is no such rate as described in paragraph (a), such other rate as the Independent Adviser determines is most comparable to the Base Rate.

For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply *mutatis mutandis* to such new Successor Base Rate.

20.3 **Determination of Base Rate, Adjustment Spread and Base Rate Amendments**

20.3.1 Without prejudice to Clause 20.3.2, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the Issuer’s expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to Clause 20.3.2.

20.3.2 If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer’s expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.

20.3.3 If the Issuer fails to appoint an Independent Adviser in accordance with Clause 20.3.2, the Bondholders shall, if so decided at a Bondholders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in Clause 20.3.2. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clause 20.3 to 20.6, the Agent (acting on the instructions of the Bondholders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.

20.3.4 The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").

20.3.5 Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

20.4 **Interim measures**

20.4.1 If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:

- (a) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred; or
- (b) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.

20.4.2 For the avoidance of doubt, Clause 20.4.1 shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause 20. This will however not limit the application of Clause 20.4.1 for any subsequent Interest Periods, should all relevant actions provided in this Clause 20 have been taken, but without success.

20.5 **Notices etc.**

Prior to the Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments become effective the Issuer shall promptly, following the final decision by the Independent Adviser of any Successor Base Rate, Adjustment Spread and any Base Rate Amendments, give notice thereof to the Agent, the Issuing Agent and the Bondholders in accordance with Clause 26 (*Notices and press releases*) and the CSD. The notice shall also

include information about the effective date of the amendments. If the Bonds are admitted to trading on a stock exchange, the Issuer shall also give notice of the amendments to the relevant stock exchange.

20.6 Variation upon replacement of Base Rate

20.6.1 No later than giving the Agent notice pursuant to Clause 20.5, the Issuer shall deliver to the Agent a certificate signed by the Independent Adviser and the CEO, CFO or any other duly authorised signatory of the Issuer (subject to Clause 20.3.3) confirming the relevant Successor Base Rate, the Adjustment Spread and any Base Rate Amendments, in each case as determined and decided in accordance with the provisions of this Clause 20. The Successor Base Rate the Adjustment Spread and any Base Rate Amendments (as applicable) specified in such certificate will, in the absence of manifest error or bad faith in any decision, be binding on the Issuer, the Agent, the Issuing Agent and the Bondholders.

20.6.2 Subject to receipt by the Agent of the certificate referred to in Clause 20.6.1, the Issuer and the Agent shall, at the request and expense of the Issuer, without the requirement for any consent or approval of the Bondholders, without undue delay effect such amendments to the Finance Documents as may be required by the Issuer in order to give effect to this Clause 20.

20.6.3 The Agent and the Issuing Agent shall always be entitled to consult with external experts prior to amendments are effected pursuant to this Clause 20. Neither the Agent nor the Issuing Agent shall be obliged to concur if in the reasonable opinion of the Agent or the Issuing Agent (as applicable), doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Agent or the Issuing Agent in the Finance Documents.

20.7 Limitation of liability for the Independent Adviser

Any Independent Adviser appointed pursuant to Clause 20.3 shall not be liable whatsoever for damage or loss caused by any determination, action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Independent Adviser shall never be responsible for indirect or consequential loss.

- 21.2.4 The Agent shall treat all Bondholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders as a group and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.

Should the Agent not receive such information, the Agent is entitled to assume that no such event or circumstance exists or can be expected to occur, provided that the Agent does not have actual knowledge of such event or circumstance.

21.2.9 The Agent shall:

- (a) review each Compliance Certificate delivered to it to determine that it meets the requirements set out herein and as otherwise agreed between the Issuer and the Agent; and
- (b) verify that the Issuer according to its reporting in the Compliance Certificate meets the relevant financial covenant(s) or tests.

The Issuer shall promptly upon request provide the Agent with such information as the Agent reasonably considers necessary for the purpose of being able to comply with this Clause 21.2.9.

21.2.10 Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any regulation.

21.2.11 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Bondholders, or taking any action at its own initiative, will not be covered by the Issuer, the Agent may refrain from acting

in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate security has been provided therefore) as it may reasonably require.

- 21.2.12 The Agent shall give a notice to the Bondholders before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or if it refrains from acting for any reason described in Clause 21.2.11.

21.3 Limited liability for the Agent

- 21.3.1 The Agent will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect or consequential loss.
- 21.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts provided to the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Bondholders to delay the action in order to first obtain instructions from the Bondholders.
- 21.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by the Agent to the Bondholders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 21.3.4 The Agent shall have no liability to the Issuer or the Bondholders for damage caused by the Agent acting in accordance with instructions of the Bondholders given in accordance with the Finance Documents.
- 21.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Bondholders under the Finance Documents.

21.4 Replacement of the Agent

- 21.4.1 Subject to Clause 21.4.6, the Agent may resign by giving notice to the Issuer and the Bondholders, in which case the Bondholders shall appoint a successor Agent at a Bondholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- 21.4.2 Subject to Clause 21.4.6, if the Agent is insolvent or becomes subject to bankruptcy proceedings, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 21.4.3 A Bondholder (or Bondholders) representing at least ten (10.00) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice shall, if given by several Bondholders, be given by them jointly), require that a Bondholders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a

Bondholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Bondholders that the Agent be dismissed and a new Agent appointed.

- 21.4.4 If the Bondholders have not appointed a successor Agent within ninety (90) days after:
- (a) the earlier of the notice of resignation was given or the resignation otherwise took place; or
 - (b) the Agent was dismissed through a decision by the Bondholders,
- the Issuer shall within thirty (30) days thereafter appoint a successor Agent which shall be an independent financial institution or other reputable company with the necessary resources to act as agent in respect of Market Loans.
- 21.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- 21.4.6 The Agent's resignation or dismissal shall only take effect upon the earlier of:
- (a) the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent; and
 - (b) the period pursuant to paragraph (b) of Clause 21.4.4.
- 21.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Bondholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- 21.4.8 In the event that there is a change of the Agent in accordance with this Clause 21.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents and the Agency Agreement. Unless the Issuer and the new Agent agree otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

22. THE ISSUING AGENT

- 22.1 The Issuer shall when necessary appoint an Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Bonds.
- 22.2 The Issuer shall ensure that the Issuing Agent enters into agreements with the CSD, and comply with such agreement and the CSD regulations applicable to the Issuing Agent, as may be necessary in order for the Issuing Agent to carry out its duties relating to the Bonds.
- 22.3 The Issuing Agent will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless

directly caused by its gross negligence or wilful misconduct. The Issuing Agent shall never be responsible for indirect or consequential loss.

- 22.4 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

23. THE CSD

- 23.1 The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to the CSD. The Issuing Agent shall be a commercial bank or securities institution approved by the CSD.
- 23.2 The CSD may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Bondholder or the admission to trading of the Bonds on the corporate bond list of Nasdaq Stockholm (or any other Regulated Market, as applicable). The replacing CSD must be authorised to professionally conduct clearing operations pursuant to the Swedish Securities Market Act (Sw. *lag (2007:528) om värdepappersmarknaden*) and be authorised as a central securities depository in accordance with the Financial Instruments Accounts Act.

24. NO DIRECT ACTIONS BY BONDHOLDERS

- 24.1 A Bondholder may not take any action or legal steps whatsoever against any Group Company to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or their equivalents in any other jurisdiction) of any Group Company in relation to any of the liabilities of such Group Company under the Finance Documents. Such steps may only be taken by the Agent.
- 24.2 Clause 24.1 shall not apply if the Agent has been instructed by the Bondholders in accordance with the Finance Documents to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Bondholder to provide documents in accordance with Clause 21.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or by any reason described in Clause 21.2.11, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 21.2.12 before a Bondholder may take any action referred to in Clause 24.1.
- 24.3 The provisions of Clause 24.1 shall not in any way limit an individual Bondholder's right to claim and enforce payments which are due to it under Clause 12.5 (*Mandatory repurchase due*

to a Change of Control Event, De-listing Event or Listing Failure Event (put option)) or other payments which are due by the Issuer to some but not all Bondholders.

25. TIME-BAR

- 25.1 The right to receive repayment of the principal of the Bonds shall be time-barred and become void ten (10) years from the relevant Redemption Date. The right to receive payment of interest (excluding any capitalised interest) shall be time-barred and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Bondholders' right to receive payment has been time-barred and has become void.
- 25.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (Sw. *preskriptionslag (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Bonds, and of three (3) years with respect to the right to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the time-bar period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

If the Issuer does not promptly issue a press release and the Agent considers it necessary to issue a press release containing such information before it can lawfully send a notice containing such information to the Bondholders, the Agent shall be entitled, but not obligated to issue such press release.

Background:

The security securing the Secured Obligations will (save for the Bonds Only Transaction Security) be a single security package which will be held pursuant to relevant law and intercreditor arrangements, and the Security Agent will be appointed as initial security agent to hold the security on behalf of each of the Secured Parties.

Ranking and Priority:

Unless expressly provided to the contrary in these intercreditor principles, each of the parties to the Intercreditor Agreement will agree that the Secured Obligations owed by the ICA Group Companies to the Secured Parties and the other relevant parties shall rank in all respects in right and priority of payment in the following order:

- (a) *first*, the Super Senior Debt (*pari passu* between all indebtedness under the Super Senior Debt);
- (b) *second*, the Senior Debt (*pari passu* between all indebtedness under the Senior Debt);
- (c) *third*, any liabilities raised in the form of Intragroup Debt; and
- (d) *fourth*, any liabilities raised in the form of Subordinated Debt.

Transaction Security and Guarantees:

Unless expressly provided to the contrary in these intercreditor principles, the Transaction Security and the guarantees under the Guarantee and Adherence Agreement will be granted with the following ranking and priority:

- (a) the guarantees and the Transaction Security shall be granted with *first* priority ranking in respect of the Super Senior Debt and the Senior Debt, *pari passu* between the Super Senior Debt and the Senior Debt, but subject always to the allocation of proceeds provision as set out in Section “*Application of enforcement proceeds*”;
- (b) the Bonds Only Transaction Security shall rank and secure only the Finance Documents; and
- (c) the Intragroup Debt and any Subordinated Debt shall remain unguaranteed and unsecured.

Payment Block:

Following a written notice from the Super Senior Representative to the Issuer (with a copy to the Security Agent, and the Agent) of (i) acceleration or (ii) that an event of default (for the avoidance of doubt, after the expiry of any applicable grace period in respect of the default giving rise to the event of default) under the Super Senior Documents relating to (a) a non-payment, (b) a cross-default or cross-acceleration, (c) insolvency, (d) insolvency proceedings, (e) creditors’ process, (f) cessation of business, (g) a breach of a Major Undertaking, (h) repudiation and rescission of agreements or (i) unlawfulness and invalidity has occurred (a “**Payment Block Event**”) and for as long as it is continuing, or up until a written notice from the Super Senior Representative to the contrary, no payments of principal or interest may be made to the Senior Creditors.

A Payment Block Event shall cease to be continuing if no enforcement action or consultation in accordance with the section “Enforcement” below has been initiated within 150 days from the occurrence of the relevant Payment Block Event. For the avoidance of doubt, interest shall continue to accrue during such period and the failure to timely make any payments due under the Senior Debt shall constitute an Event of Default and the unpaid amount shall carry default interest.

Until a Payment Block Event has been remedied or waived, any amounts paid under the Senior Debt (despite the Payment Block Event) shall be applied in accordance with Section “*Application of enforcement proceeds*”.

Cancellation of Super Senior WCF:

To the extent the Issuer repurchases, amortises or otherwise repays the Bonds whereby the aggregate amount of the Senior Debt outstanding falls below a threshold of the aggregate initial amount of Senior Debt (including any Subsequent Bonds) as specified by the Super Senior WCF Creditors, the Super Senior WCF Creditors may demand repayment and cancellation of any Super Senior WCF *pro rata* with such repurchase, amortisation or other repayment.

Enforcement:

If either the Super Senior Creditors or the Senior Creditors wish to issue instructions for enforcement, their Representative (as the case may be) shall deliver a copy of those proposed enforcement instructions (an “**Enforcement Proposal**”) to the Security Agent and the Security Agent shall promptly forward such Enforcement Proposal to each other Representative.

If the Security Agent has received conflicting enforcement instructions, the Security Agent shall promptly notify the Representatives and the Representatives shall (unless the Transaction Security and the guarantees have become enforceable as a result of an

insolvency event) consult with each other and the Security Agent (as the case may be) in good faith for a period of not more than 30 days (the “**Consultation Period**”).

Following an Enforcement Proposal and subject to, *inter alia*, paragraphs (a) and (b) below, the Security Agent will act in accordance with enforcement instructions received from the Senior Creditors.

- (a) If (i) no enforcement instructions have been issued to the Security Agent from the Senior Creditors within 3 months (or within 1 month if an insolvency event has occurred) of the date of the Enforcement Proposal or from the end of the Consultation Period or (ii) the Super Senior Debt has not been discharged in full within 6 months of the date of the Enforcement Proposal or from the end of the Consultation Period, then the Security Agent will act in accordance with enforcement instructions received from the Super Senior Creditors until the Super Senior Debt has been discharged in full.
- (b) If a Secured Party (acting reasonably) considers that the Security Agent is enforcing the Transaction Security in a manner which is not consistent with the security enforcement objective, such Secured Party shall give notice to the other Secured Parties after which the Representatives and the Security Agent shall consult for a period of 20 days (or such lesser period that the Secured Parties may agree) with a view to agreeing on the manner of enforcement.

**Application of
Enforcement
Proceeds:**

The proceeds of any enforcement action (including but not limited to any proceeds received from any direct or indirect realisation or sale by the Security Agent of any assets being subject to Transaction Security, payments under any guarantees or proceeds received in connection with bankruptcy or other insolvency proceedings) shall be paid to the Security Agent for application in the following order (subject to applicable mandatory law):

- (f) *sixthly*, towards payment *pro rata* of principal under the Senior Debt (and with no preference among them);
- (g) *seventhly*, in or towards payment *pro rata* of any other costs or outstanding amounts unpaid under the Terms and Conditions and any Senior Finance Documents;

- (h) *eighthly*, after the Final Discharge Date, towards payment *pro rata* of accrued interest unpaid and principal under the Intragroup Debt;

**Release of
Transaction Security
and Guarantees:**

The Security Agent is authorised and may execute on behalf of any Secured Party, in each case without any need for further deferral to or authority from such Secured Party, any release of the Transaction Security and the guarantees created by the Transaction Security Documents, the Guarantee and Adherence Agreement and the Intercreditor Agreement, to the extent that such release is made in accordance with the terms and conditions of the Senior Finance Documents.

The Intercreditor Agreement will, subject to certain conditions, enable a release of Transaction Security in connection with disposals for the purpose of:

- (a) enabling a Group Company to dispose of shares in a Group Company that is subject to Transaction Security provided that Transaction Security is provided over a bank account (other than the Escrow Account) where the cash purchase price following such disposal is deposited (the funds standing to credit on such bank account may be used for the purpose of an acquisition of shares in a target company provided that security over all the shares in such target company are provided to the Secured Parties immediately upon such acquisition); and
- (b) enabling intra-group restructurings, provided that the disposal is made subject to the Transaction Security or, in relation to a merger, that it constitutes a permitted merger under the Senior Finance Documents.

New Security:

Any new security created (and guarantees and indemnities granted), in respect of any Secured Obligation shall be extended to and shared between the Secured Parties on a *pro rata* basis and in accordance with the ranking and priority set forth above.

Governing law:

The Intercreditor Agreement shall be governed by Swedish law.

SCHEDULE 3

AGREED SECURITY PRINCIPLES

Agreed Security Principles

1. General legal and statutory limitations, financial assistance, corporate benefit, fraudulent preference, thin capitalisation rules, retention of title claims, employee consultation and approval requirements and similar principles may limit the ability of a Group Company to provide a guarantee or security or enter into subordination arrangements, or may require that such guarantee, security or subordination arrangement is limited by an amount or otherwise, provided that the relevant Group Company must use reasonable endeavours to overcome any such obstacle to the extent possible and practicable and if it can be done at a cost which is not disproportionate to the benefit of the Secured Parties obtaining the Security.
2. Group Companies will not be required to grant guarantees or enter into Transaction Security Documents if to do so would:
 - (i) not be within its legal capacity;
 - (ii) conflict with the fiduciary duties of any of its directors or contravene any legal prohibition or regulatory condition or have the potential to result in a risk of personal or criminal liability on the part of any officer or director (in each case as confirmed by a reputable local legal counsel in such jurisdiction); or
 - (iii) cause it or the Group to incur costs or other disadvantages (including legal fees, registration fees, stamp duty, taxes, notarial fees and other fees or costs directly associated with providing the guarantees and/or granting the security) that in the reasonable opinion of the Super Senior WCF Creditors are disproportionate to the benefit to the Secured Parties of obtaining such guarantees or security,provided that the relevant Group Company must use its best endeavours to overcome any such obstacle to the extent possible.
3. Before incurring material legal fees, disbursements, registration costs, taxes, notary fees and other costs and expenses relating to the granting of security, the Security Agent will consult with the Issuer in respect of the incurrence of such fees, costs and expenses and the Issuer shall at the Agent's request advance sufficient funds to the Agent prior to the Agent incurring such fees, costs or expenses. The Issuer and the Guarantors shall not be under an obligation to grant guarantees or Transaction Security over any assets which would impose a stamp duty, taxes, notary fees, translation fees, registration fees or similar costs or charges on any Group Company or the Agent unless such costs amounts to less than EUR 50,000 on an aggregate basis in respect of any financial year.
4. No entity which is acquired pursuant to a permitted acquisition shall be required to accede as an additional Guarantor or grant Transaction Security if prevented by the terms of the documentation of its Financial Indebtedness or the security granted by it for so long as such Financial Indebtedness or security constitutes Permitted Debt or Permitted Security.
5. It is expressly acknowledged that in certain jurisdictions it may be impossible to give guarantees or to grant security over certain categories of assets in which event such guarantees will not be given and such security will not be granted over such assets.
6. In calculating the Guarantor Coverage Test, (i) any entity with negative EBITDA, revenue or assets shall be included in the calculations with zero EBITDA, revenue or assets(as applicable) and (ii) goodwill, intra-group items and investments in Subsidiaries shall be disregarded.
7. Any assets subject to pre-existing third-party arrangements which prevent those assets from being charged will be excluded from the relevant Transaction Security, provided that, if the relevant assets are material, the relevant Group Company has used its best endeavours to obtain consent to charging such assets.

8. The form of each Transaction Security Document shall be negotiated in good faith in accordance with the terms of these Agreed Security Principles (and any market standard in the relevant jurisdiction is thus, to the greatest extent possible under the governing law applicable in respect of the relevant Transaction Security Document, to be disregarded to the extent the relevant issue is already regulated by these Agreed Security Principles).
9. Any rights of set-off will only be exercisable in respect of matured obligations and after the occurrence of an Acceleration Event, subject to any applicable restrictions set out in the Finance Documents.
10. No perfection action will be required in jurisdictions where obligors are not located.
11. Transaction Security will not be enforceable until an Event of Default has occurred and is continuing and the relevant creditor or creditor representative has given notice of acceleration under the relevant finance document (an “**Acceleration Event**”).
12. Any powers of attorney under the Transaction Security Documents shall be granted on the date of the relevant Transaction Security Document and any such power of attorney shall thereafter only be issued upon request and upon the occurrence of an Event of Default which is continuing. However, the Secured Parties shall only be able to exercise any powers of attorney (including, but not limited to, in respect of voting rights appertaining to any shares) granted under any Transaction Security Document or have the right to receive any dividends if an Acceleration Event has occurred.
13. The Issuer and the Guarantors shall be permitted to pay and receive interest and, unless it may impair the perfection of the relevant Transaction Security, principal in relation to any Material Intragroup Loan being subject to Transaction Security unless an Acceleration Event has occurred. However, subject to the Intercreditor Agreement the Issuer and the Guarantors shall always be permitted to pay and receive interest and principal amounts in relation to any Material Intragroup Loan being subject to Transaction Security, if such payments are made directly to the Secured Parties in order to fulfil the Secured Obligations. For the avoidance of doubt, any loans arising under any cash pooling permitted by the Senior Finance Documents shall not be subject to Transaction Security.
14. No joint venture or not wholly owned company will be required to provide a guarantee or asset security in respect of any other Group Company’s obligations. No security will be required over investments or shares in joint ventures or any other companies not wholly owned directly or indirectly by the Issuer (including but not limited to shares owned by minority shareholders).
15. Save for as may be required in order to have a fully valid, perfected and enforceable security, the Transaction Security Documents will not operate so as to prevent transactions which are otherwise not restricted under the Finance Documents or require additional consents or authorisations.
16. The Transaction Security Documents will not contain any reporting requirements or information undertakings unless (A) such information and/or reporting is required by local law to perfect or register or maintain the security and, that this information can be provided without breaching confidentiality requirements or damaging business relationships or commercial reputation, and (B) such information and/or reporting is provided upon request by the Security Agent for the same reasons as set out in preceding paragraph (A).
17. The terms of the Transaction Security should not be such that they are unduly burdensome or interfere unreasonably with the ability of the relevant Group Company to conduct its operations and business in the ordinary course.
18. An acknowledgement, countersignature or confirmation on a notice of pledge or similar to be delivered in connection with the granting of Transaction Security or Guarantee by another party (other than a Group Company) shall (other than in respect of the Escrow Account Pledge Agreement) only be required to be collected and delivered by the relevant Group Company on a best effort basis. The same principle shall apply to registrations to be made in connection with any perfection of Transaction Security.
19. **Shares.** Share security will only be required in respect of a subsidiary of a Guarantor or the parent company of a Guarantor if such subsidiary or parent company is also a Guarantor and the pledgors will retain legal title to such

shares and shall be entitled to exercise voting rights and receive any type of dividends until the occurrence of an Acceleration Event.

20. **Material Intragroup Loans.** The Issuer and the Guarantors shall not be under an obligation to grant Transaction Security over any claims pursuant to any cash pool arrangement or over any intra-group loans other than the Material Intragroup Loans. Any Transaction Security Documents in respect of Material Intragroup Loans shall unless otherwise agreed be governed by the laws of the jurisdiction of incorporation of the creditor. No promissory notes will be issued in respect of any Material Intragroup Loans.
21. **Bank accounts.** All security over bank accounts shall be subject to the rights of the Issuer to request disbursements in accordance with the Terms and Conditions and any prior security interests and any other rights (including but not limited to set off rights) in favour of the account bank which are created either by law or in the standard terms and conditions of the account bank.
22. Notwithstanding anything to the contrary in these Agreed Security Principles, the Transaction Security Documents shall not create new commercial obligations and shall not contain additional or duplicate representations, warranties or undertakings to those set out in the Senior Finance Documents that are not required for the creation, perfection, validity, enforceability, effectiveness or preservation of the relevant Transaction Security as such (and, for the avoidance of doubt, precluding any representations, warranties or undertakings which only ensure the maintenance of the value of the underlying assets subject to the relevant Transaction Security). There shall not be any repetition or extension for clauses set out in the Senior Finance Documents such as those relating to cost and expenses, indemnities, stamp duty, tax gross up, distribution of proceeds, notices and release of security.
23. Guarantees and Transaction Security Documents relating to any Additional Guarantor will (to the extent relevant) be in the form consistent with those previously agreed in relation to existing Guarantors to the greatest extent possible under the applicable governing law and unless the Agreed Security Principles stipulate otherwise.
24. Subject to the above, all steps necessary to perfect, or legal formalities required to be carried out in connection with, any of the Transaction Security, will be completed as soon as practicable and, in any event, within the time periods which are customary or otherwise specified by applicable law.
25. Notwithstanding anything to the contrary in the Finance Documents, if the Security Agent is not satisfied that it does not need to be resident, incorporated (including by way of a branch office), registered or authorised in any jurisdiction or deposit any funds in any jurisdiction where the Security Agent, at the time the relevant Transaction Security shall be granted, is not resident, incorporated (including by way of a branch office), registered or authorised in, the Security Agent shall have a right to (without consent from any Secured Party) waive the requirement in any Senior Finance Document to grant that Transaction Security. Satisfaction in this respect should either be through the inclusion of such statement in a legal opinion or by any other legal statement from a well reputable law firm which in form and substance is acceptable to the Security Agent (acting reasonably).
26. The Security Agent shall have a right to consult with and rely on the instruction of the Super Senior WCF creditors and a local reputable legal counsel in a relevant jurisdiction (subject to prior approval by the Issuer of the fees of such legal counsel) in order to verify and confirm compliance with the Agreed Security Principles in relation to any Transaction Security and/or Guarantee. Any reasonable costs for such local legal counsel shall be borne or reimbursed by the Issuer against invoice and the Security Agent is required to seek the Issuer's confirmation or approval prior to engaging such local legal counsel.
