- (c) the Intragroup Debt and any Subordinated Debt shall remain unguaranteed and unsecured.

3.3 Intragroup Debt and Subordinated Debt

- (a) Each of the Parties agrees that the Intragroup Debt and the Subordinated Debt are postponed and subordinated to the Liabilities owed by the ICA Group Companies to the Secured Parties.
- (b) This Agreement does not purport to rank any of the Intragroup Debt or the Subordinated Debt, as applicable, between themselves other than as explicitly set out herein.

3.4 Preservation of Subordinated Debt and Intragroup Debt

Notwithstanding any term of this Agreement postponing, subordinating or preventing the payment of all or any part of the Subordinated Debt and Intragroup Debt, the relevant Subordinated Debt or Intragroup Debt shall, as between the Subordinated Creditors and Intragroup Creditors, be deemed to remain owing or due and payable (and interest, default interest or indemnity payments shall continue to accrue) in accordance with the relevant Debt Documents.

4. Transaction Security and Secured Obligations

4.1 Security and Guarantees

- (a) A Secured Party may take, accept or receive the benefit of:
 - (i) any Security from any Group Company, or over the assets or securities issued by any Group Company, in respect of the Secured Obligations in addition to the Transaction Security and the Guarantees (excluding, for the avoidance of doubt any Super Senior WCF Cash Cover) if at the same time it is also offered either:
 - (A) to the Security Agent as agent or common representative (or, if the trust structure is recognised in the relevant jurisdiction, as trustee) for all the other Secured Parties in respect of all the Secured Obligations; or
 - (B) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Security Agent as agent for the Secured Parties:
 - (I) to all the Secured Parties in respect of the Secured Obligations; or
 - (II) to the Security Agent under a parallel debt structure for the benefit of the other Secured Parties or, where appropriate, the Security Agent as representative of the Secured Parties,
 - and ranks in the same order of priority as that contemplated in Clause 3.2 (*Transaction Security and Guarantees*); and
 - (ii) any guarantee, indemnity or other assurance against loss from any Group Company in respect of the Secured Obligations in addition to those in the original form of the Senior Finance Documents if and to the extent legally possible, at the same time it is also offered to the other Secured Parties in respect of their Liabilities and ranks in the same order of priority as that contemplated in Clause 3 (*Ranking and Priority*).
- (b) If the Issuer or a Group Company provides any additional Security or guarantee for any Secured Debt, other than any Super Senior WCF Cash Cover, the Issuer shall ensure, and shall ensure that such Group Company ensures, that such additional Security or guarantee is provided to all Secured Parties on materially the same terms as the Transaction Security Documents or the Guarantee and Adherence Agreement (as applicable).

4.2 Further Assurance

Subject to the Agreed Security Principles, each ICA Group Company shall use all reasonable endeavours to facilitate any necessary establishment of new Security or amendments to the Transaction Security Documents pursuant to this Agreement.

4.3 Security and Guarantee Confirmation

Each ICA Group Company hereby unconditionally and irrevocably confirms in favour of the Secured Parties that:

- (a) any Guarantee granted and undertaken by it under the Guarantee and Adherence Agreement (and all of its obligations including adherences thereunder) shall remain in full force and effect in accordance with its terms and extend to the due and punctual performance of the Secured Obligations (as extended in the manner contemplated in this Agreement and the Senior Finance Documents); and
- (b) any Security granted by it under the Transaction Security Documents constitutes valid Security for the due and punctual performance of the Secured Obligations (as extended in the manner contemplated in this Agreement and the Senior Finance Documents) and shall remain in full force and effect in accordance with its terms,

in each case subject only to any limitations (as to mandatory applicable law) set out therein.

5. Hedge Counterparties and Hedging Obligations

5.1 Hedge Counterparties

A person is a Hedge Counterparty and is entitled to share in any Transaction Security and the Guarantees in respect of any Hedging Obligations only if the person is a financial institution selected by the Issuer, provided that that financial institution delivers to the Security Agent a duly completed and signed Creditor/Representative Accession Undertaking and the Security Agent executes such Creditor/Representative Accession Undertaking.

5.2 Hedging Agreements

- (a) Liabilities under a Hedging Agreement will only be treated as Hedging Obligations if the Hedging Agreement complies with this Clause 5.2.
- (b) Each Hedging Agreement shall:
 - (i) be based on the 1992 ISDA Master Agreement, 2002 ISDA Master Agreement, the Hedge Counterparty's customary framework agreement or any other framework agreement which is similar in terms and effect;

- (ii) in the event of termination of a transaction whether upon a Termination Event or an Event of Default (each as defined in the relevant Hedging Agreement) provide for payments under the "Second Method" (in the case of the 1992 ISDA Master Agreement) or make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) or provide for two way payments (in the case of any other form of Hedging Agreement) or similar with respect to any other framework agreement; and
- (iii) each Hedge Counterparty shall promptly upon request supply the Security Agent with a copy of any Hedging Agreement to which it is a party.

5.3 Restrictions on payment and security

- (a) No Hedge Counterparty shall demand or receive, and no ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) make, any payment in respect of any Hedging Obligations or apply any money or property in or towards discharge of any Hedging Obligations (including by way of set-off) except:
 - (i) for a payment or discharge made in accordance with scheduled payments under that Hedging Agreement and/or for a payment or discharge made in accordance with this Agreement;
 - (ii) for a payment or discharge made in accordance with Clause 5.4 (*Closing out of hedging transactions*) and Clause 5.5 (*Limitations on hedging transactions*);
 - (iii) payments or deductions arising as a result of:
 - (A) any of Sections 2(d) (*Deduction or Withholding for Tax*), 2(e) (*Default Interest; Other Amounts*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*) and 11 (*Expenses*) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);
 - (B) any of Sections 2(d) (*Deduction or Withholding for Tax*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*), 9(h)(i) (*Prior to Early Termination*) and 11 (*Expenses*) of the 2002 ISDA Master Agreement of that Hedging Document (if the Hedging Document is based on a 2002 ISDA Master Agreement); or
 - (C) any provision of a Hedging Document which is similar in meaning and effect to any provision listed in paragraph (A)

above (if the Hedging Document is not based on an 2002 ISDA Master Agreement).

- (b) No Hedge Counterparty shall permit to subsist or receive, and no ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) create or permit to subsist, any Security or any guarantee for or in respect of any Hedging Obligations, other than under any Transaction Security Document and the Guarantee and Adherence Agreement or if permitted by the Security Agent, provided that the granting of Security or guarantees shall always be subject to approval by the Super Senior Creditors.

5.4 Closing out of hedging transactions

- (a) No Hedge Counterparty or ICA Group Company may terminate or close out any hedging transaction under a Hedging Agreement prior to its originally stated maturity or rely on automatic early termination or on any other provision (except for provisions conferring a right to withhold payments if any condition precedent for such payment has not been satisfied) in the relevant Hedging Agreement so as not to make a payment under the Hedging Agreement unless:
 - (i) any Hedging Obligations has not been paid on the due date and the non-payment has not been remedied within thirty (30) days after the Hedge Counterparty has given notice to the Security Agent of the non-payment and of its intention to terminate or close out that hedging transaction;
 - (ii) an Acceleration Event has occurred;
 - (iii) an Illegality, Tax Event, Tax Event Upon Merger, a Credit Event Upon Merger or a Force Majeure Event (each as defined in the 2002 ISDA Master Agreement), or similar event in the case of any other form of Hedging Agreement, has occurred;
 - (iv) any Event of Default has occurred under Clause 17.5 (*Insolvency*), Clause 17.6 (*Insolvency proceedings*) or Clause 17.7 (*Creditors' process*) of the Bonds Terms and Conditions or corresponding provisions of any Super Senior Document or Senior Document;
 - (v) the termination or closing out is carried out only to the extent required to reflect any repayment or prepayment of Debt which was hedged by the hedging transaction, and the Security Agent is notified accordingly;
 - (vi) in accordance with Clause 5.5 (*Limitations on hedging transactions*); or
 - (vii) in case of a refinancing (or repayment) and cancellation in full of the Super Senior WCF.

- (b) Promptly following an Acceleration Event, each Hedge Counterparty shall:
 - (i) exercise any rights it may have to terminate or close out any hedging transactions under a Hedging Agreement;
 - (ii) pay to the Security Agent any amount owed by it and any close out amount received under a Hedging Agreement for application in accordance with Clause 13.1 (*Order of Application*); and
 - (iii) exercise any right of set off or take or receive any payment in respect of any Hedging Obligations of that Group Company.
- (c) After the occurrence of an Insolvency Event in relation to any member of the Group, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that member of the Group to:
 - (i) prematurely close-out or terminate any Hedging Obligations of that member of the Group;
 - (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Group in respect of any Hedging Obligations;
 - (iii) exercise any right of set-off or take or receive any Payment in respect of any Hedging Obligations of that member of the Group; or
 - (iv) claim and prove in the liquidation, administration or other insolvency proceedings of that member of the Group for the Hedging Obligations owing to it.

5.5 Limitations on hedging transactions

- (a) If, at any time, the aggregate notional amount of the transactions in respect of any swaps and/or caps under any Hedging Agreements entered into for the purpose of hedging interest rate risk under the Secured Obligations exceeds or, as a result of a prepayment, will exceed one hundred (100.00) per cent. of the aggregate amount of the outstanding Secured Debt at that time, the Issuer must promptly notify the Security Agent and must, at the request of the Security Agent, reduce the aggregate notional amount of those transactions by an amount and in a manner satisfactory to the Security Agent so that it no longer exceeds or will not exceed one hundred (100.00) per cent of the aggregate amount of the Secured Debt then outstanding. For the avoidance of doubt, no such restriction shall apply in relation to Hedging Agreements relating to foreign exchange or commodity hedging save that no such hedging may be entered into for speculative purposes.

- (b) Paragraph (a) above shall not apply to any transactions in respect of any Hedging Agreement under which the borrowers under the Senior Finance Documents have no actual or contingent indebtedness.
- (c) The Security Agent must make a request under paragraph (a) above if so required by a Hedge Counterparty.

6. Super Senior WCF

6.1 Super Senior WCF Cap

- (a) The Issuer and the Group Companies shall not utilise, and the Super Senior WCF Creditors shall not permit a utilisation under, the Super Senior WCF if as a result of such utilisation the aggregate utilised commitments under the Super Senior WCF (including any other utilisation due to be made under the Super Senior WCF) would exceed the Super Senior WCF Cap.
- (b) Any Super Senior WCF Cap Excess shall not, without the prior written approval of the Hedge Counterparties and the Senior Creditors, constitute Super Senior Debt for any purpose (including without limitation for the purpose of Clause 13.1 (*Order of Application*)).

6.2 Treatment of Super Senior WCF Cash Cover

- (a) Nothing in this Agreement shall prevent any Ancillary Lender taking any Enforcement Action in respect of any Super Senior WCF Cash Cover which has been provided for it in accordance with the relevant Super Senior WCF;
- (b) To the extent that any Super Senior WCF Cash Cover is not held with the Super Senior WCF Cash Cover Lender, all amounts from time to time received or recovered in connection with the realisation or enforcement of that Super Senior WCF Cash Cover shall be paid to the Security Agent (or as the Security Agent may direct) and shall be held by the Security Agent on trust to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law, in the following order of priority:
 - (i) to the Super Senior WCF Cash Cover Lender towards the discharge of the Super Senior Debt for which that Super Senior WCF Cash Cover was provided; and
 - (ii) the balance, if any, in accordance with Clause 13.1 (*Order of application*).
- (c) To the extent that any Super Senior WCF Cash Cover is held with the Super Senior WCF Cash Cover Lender, nothing in this Agreement shall prevent that the Super Senior WCF Cash Cover Lender receiving and retaining any amount in respect of that Super Senior WCF Cash Cover.

7. Senior Debt

7.1 Permitted Senior Debt Payments

Subject to Clause 7.2 (*Payment Block*), the ICA Group Companies may make Payments in respect of the Senior Debt at any time in accordance with the terms of the relevant Senior Document.

7.2 Payment Block

- (a) Following a Payment Block Event and for as long as it is continuing or up until (i) the taking of Enforcement Action in accordance with the terms of this Agreement or (ii) a written notice from the Super Senior Representative to the Security Agent to the contrary, no payments may be made to or for the account of the Senior Creditors under the Senior Documents (notwithstanding any other provisions to the contrary herein) (a “**Payment Block**”), except for in accordance with Clause 13.1 (*Order of Application*). For the avoidance of doubt, the failure by the Issuer to make any timely payments due under the Bonds shall constitute an Event of Default under the relevant Debt Documents and the unpaid amount shall carry default interest in accordance with the relevant Debt Document.
- (b) Until a Payment Block Event has been remedied or waived, any amounts paid or recovered under the Senior Documents shall be paid to the Security Agent (or as the Security Agent may direct) and applied in accordance with Clause 13.1 (*Order of Application*).
- (c) Notwithstanding anything to the contrary in this Clause 7.2, a Payment Block Event shall cease to be continuing if no Enforcement Action or consultation in accordance with Clause 12.2 (*Consultation*) has been initiated within one hundred and fifty (150) days from the occurrence of the relevant Payment Block Event.

8. Subordinated Debt

8.1 Subordinated Creditor

- (a) Until the Final Discharge Date:
 - (i) no Subordinated Creditor shall demand or receive, and no ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) make, any Payment of any principal, interest or other amount on or in respect of, or any distribution in respect of, or any redemption or purchase of, any Subordinated Debt in cash or in kind (or otherwise discharge any part of any Subordinated Debt by way of set-off or otherwise);

- (ii) no Subordinated Creditors shall claim or rank as a creditor in the insolvency, winding-up, bankruptcy or liquidation of any Group Company other than in accordance with Clause 11.2 (*Acceleration and Claim of Subordinated Debt and Intragroup Debt*);
 - (iii) neither any Subordinated Creditor nor any ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) take or omit to take any action whereby the ranking and/or subordination contemplated by this Agreement may be impaired; and

- (b) Paragraph (a) above does not apply to any action arising as a result of any prior consent of the Representatives.
 - (c) No Subordinated Creditor shall permit to subsist or receive, and no ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) create or permit to subsist, any Security or any guarantee for or in respect of any Subordinated Debt except if permitted by the Security Agent (acting on instructions from the Representatives).

8.2 Restrictions on enforcement by the Subordinated Creditors

- (a) Until the Final Discharge Date, no Subordinated Creditor shall, except with the prior written consent of or as required by the Security Agent, take any Enforcement Action in relation to any Subordinated Debt.

Until the Final Discharge Date, neither any Subordinated Creditor nor any ICA Group Company shall (and the Issuer shall ensure that no other Group Company will), except with the prior consent of the Representatives, be subrogated to or entitled to exercise any right of any Secured Party or any Security or guarantee under any Senior Finance Document.

8.4 Conversion into equity

In the event that the equity of any ICA Group Company at any time prior to the Final Discharge Date is less than half of its registered share capital, each Subordinated

For the avoidance of doubt, the obligations of each Subordinated Creditor under this Agreement are several. No Subordinated Creditor is responsible for the obligations of any other Subordinated Creditor.

8.5 Release of obligations

At any time following an Event of Default, each Subordinated Creditor must, if requested by the Security Agent, release and discharge any Subordinated Debt specified by the Security Agent, by way of capital contributions (Sw. *kapitaltillskott*), forgiveness of liabilities, or in any other way deemed appropriate by the Security Agent.

- (iii) no Intragroup Creditor, Intragroup Debtor or ICA Group Company shall take or omit to take any action whereby the ranking and/or subordination contemplated by this Agreement may be impaired; and

- (b) Paragraph (a) above does not apply to any action arising as a result of any prior consent of the Representatives.
- (c) No Intragroup Creditor shall permit to subsist or receive, and no ICA Group Company shall (and the Issuer shall ensure that no other Group Company will) create or permit to subsist, any Security or any guarantee for or in respect of any Intragroup Debt except if permitted by the Security Agent (acting on instructions from the Representatives).

9.2 Permitted Intragroup Payments

- (a) Until the Final Discharge Date and subject to Clause 10 (*Turnover of Non-Permitted Payments*) and Clause 11 (*Effect of Insolvency Event*), an Intragroup Debtor may pay, and the relevant Intragroup Creditor may receive and retain, including by way of set-off, Payments of interest (but not principal) in respect of any Material Intragroup Loan, in each case provided that at the time of Payment, no Event of Default has occurred or would result from such Payment.

- (c) Notwithstanding paragraph (a) above, Payments in cash of principal and interest in respect of Intragroup Debt shall, subject to Clause 13.1 (*Order of Application*) (as applicable), always be permitted if made for the purpose of serving Debt to the Secured Parties and such payment is made directly to the Secured Parties (represented by the Security Agent) for repayment of principal or payment of interest on such Debt owed to the Secured Parties.

9.3 Restrictions on enforcement by the Intragroup Creditors

- (a) Until the Final Discharge Date, no Intragroup Creditor shall, except with the prior written consent of or as required by the Security Agent, take any Enforcement Action in relation to any Intragroup Debt.
- (b) If required by the Security Agent to take Enforcement Action, the Intragroup Creditors will promptly take the relevant Enforcement Action and apply any proceeds from that Enforcement Action in accordance with Clause 10 (*Turnover of Non-Permitted Payments*).

9.4 Restrictions on ICA Group Company and Intragroup subrogation

Until the Final Discharge Date, no Intragroup Creditor, Intragroup Debtor or ICA Group Company shall, except with the prior consent of the Representatives, be subrogated to

or entitled to exercise any right of any Secured Party or any Security or guarantee under any Senior Finance Document.

9.5 Conversion into equity

In the event that the equity of any ICA Group Company at any time prior to the Final Discharge Date is less than half of its registered share capital, each Intragroup Creditor shall, as soon as reasonably practical, upon request of the Security Agent, take any action required in order to convert the Intragroup Debt (or part thereof) into equity through unconditional capital contributions or similar arrangements applicable in the jurisdiction of incorporation of such ICA Group Company in an amount sufficient to ensure that the equity of the relevant ICA Group Company is at least equal to its registered share capital. For the avoidance of doubt, the obligations of each Intragroup Creditor under this Agreement are several. No Intragroup Creditor is responsible for the obligations of any other Intragroup Creditor.

9.6 Release of obligations

At any time following an Event of Default, each Intragroup Creditor must, if requested by the Security Agent, release and discharge any Intragroup Debt specified by the Security Agent, by way of capital contributions (Sw. *kapitaltillskott*), forgiveness of liabilities, or in any other way deemed appropriate by the Security Agent.

10. Turnover of Non-Permitted Payments

10.1 Payments to Secured Parties

- (a) If a Secured Party (a “**Recovering Creditor**”) makes a Recovery in respect of any amounts owed by any ICA Group Company other than in accordance with Clause 13.1 (*Order of Application*) such Recovering Creditor shall not be entitled to retain such amount and shall notify the Security Agent and forthwith pay such amount to the Security Agent (or as the Security Agent may direct) for application in accordance with Clause 13.1 (*Order of Application*). Should such amount not be paid by the relevant Recovering Creditor to the Security Agent (or as the Security Agent may direct) for application in accordance with Clause 13.1 (*Order of Application*) and the relevant Recovering Creditor applies that amount towards payment of indebtedness owing under the Senior Finance Documents to which it is a party then:
 - (i) the relevant Secured Party shall notify each Agent thereof and the Security Agent shall, using reasonable efforts, determine whether the Recovery is in excess of the amount that the Recovering Creditor would have been paid had the Recovery been made by the Security Agent and distributed in accordance with Clause 13.1 (*Order of Application*),

without taking account of any tax which would be imposed on any Agent in relation to the Recovery; and

- (ii) if the Recovery is higher than the amount which the Security Agent determines may be retained by the Recovering Creditor as its share of any payment to be made in accordance with Clause 13.1 (*Order of Application*), such excess amount shall be considered in any application of proceeds in accordance with Clause 13.1 (*Order of Application*) and the Recovering Creditor's share in the application may be reduced accordingly.
- (b) This Clause 10.1 shall not apply to the extent that the Recovering Creditor would not, after making any payment pursuant to this Clause, have a valid and enforceable subrogation claim against the relevant ICA Group Company.
- (c) This Clause 10.1 shall not apply to any amount which the Recovering Creditor has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified the other Secured Parties of the legal or arbitration proceedings; and
 - (ii) all other Secured Parties had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.
- (d) Paragraphs (b) and (c) shall not apply in respect of any Enforcement Action or other receipt of proceeds from any Super Senior WCF Cash Cover.

10.2 Turnover by Subordinated Creditors

If a Subordinated Creditor receives any Recovery (including by way of set-off) in excess of what is permitted pursuant to this Agreement, it shall notify the Security Agent and forthwith pay such amount to the Security Agent (or as the Security Agent may direct) for application in accordance with Clause 13.1 (*Order of Application*).

10.3 Turnover by ICA Group Companies

If any of the ICA Group Companies receives or recovers any amount which, under the terms of the Senior Finance Documents, should have been paid to a Secured Party, that ICA Group Company will promptly pay that amount to the Security Agent (or as the Security Agent may direct) for application in accordance with Clause 13.1 (*Order of Application*).

10.4 Protection of Debt upon Turnover

If a Party is obliged to pay an amount to the Security Agent in accordance with this Clause 10, the relevant Debt in respect of which the Party made such payment to the Security Agent (or as the Security Agent may direct) will be deemed not to have been reduced or discharged in any way or to any extent by the relevant payment.

11. Effect of Insolvency Event

11.1 Subordination

- (a) If an Insolvency Event occurs:
 - (i) the allocation of proceeds between the Super Senior Debt and Senior Debt shall be as set out in Clause 13 (*Application of Recoveries*); and
 - (ii) the Subordinated Debt and the Intragroup Debt will be subordinated in right of payment to the Super Senior Debt and the Senior Debt.
- (b) The subordination provisions, to the extent permitted under the applicable law, in this Agreement shall remain in full force and effect by way of continuing subordination and shall not be affected in any way by any intermediate payment or discharge in whole or in part of any Debt.

11.2 Acceleration and Claim of Subordinated Debt and Intragroup Debt

- (a) After the occurrence of an Insolvency Event and until the Final Discharge Date, the Security Agent may:
 - (i) accelerate, claim, enforce and prove for any Subordinated Debt and Intragroup Debt owed by such Group Company or Intragroup Debtor or make a demand under any guarantee or indemnity against loss in respect of such Subordinated Debt or Intragroup Debt;
 - (ii) file claims and proofs, give receipts and take any proceedings or other action as the Security Agent considers necessary to recover that Subordinated Debt or Intragroup Debt; and
 - (iii) receive all distributions on that Subordinated Debt or Intragroup Debt for application in accordance with Clause 13.1 (*Order of Application*).
- (b) If and to the extent that the Security Agent is not entitled, or elects not, to take any of the action mentioned in paragraph (a) above, each Subordinated Creditor or each Intragroup Creditor will do so promptly on request by the Security Agent.
- (c) Each Subordinated Creditor and each Intragroup Creditor irrevocably authorises the Security Agent to, on behalf of each Subordinated Creditor and each Intragroup Creditor, take any action referred to in paragraph (a) above in respect

of any Subordinated Debt or Intragroup Debt owed by a Group Company or Intragroup Debtor referred to in such paragraph and each Subordinated Creditor and each Intragroup Creditor will provide all forms of proxy or other documents that the Security Agent may reasonably require for such purpose.

11.3 Distributions

After the occurrence of an Insolvency Event and until the Final Discharge Date, each Party shall:

- (a) hold any Recovery received or receivable by it during such period in respect of any Debt as escrow funds and separate from its own funds (or under another appropriate arrangement in the jurisdiction of a Party not incorporated in Sweden) for the Secured Parties;
- (b) promptly pay such Recovery (or, where the Recovery is by way of discharge by set-off, an equivalent amount) to the Security Agent (or as the Security Agent may direct) for application in accordance with Clause 13.1 (*Order of Application*); and
- (c) promptly direct the trustee in bankruptcy, receiver, administrator or other person distributing the assets of the relevant Group Company or their proceeds to pay distributions in respect of the Debt directly to the Security Agent (or as the Security Agent may direct).

11.4 Further Assurance

Each Party shall, at its own expense, take whatever action the Security Agent may require to give effect to this Clause 11.

12. Enforcement and Consultation

12.1 Enforcement Actions and Enforcement Instructions

- (a) Until the Final Discharge Date, the Security Agent shall:
 - (i) exercise any right, power, authority or discretion vested in it as Security Agent in accordance with Clause 12.2 (*Consultation*) (or, if so instructed pursuant to that Clause, refrain from exercising any right, power, authority or discretion vested in it as Security Agent); and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction from the Representatives.
- (b) Other than as expressly permitted under Clause 12.2 (*Consultation*), no Secured Party may independently accelerate, seek payment and exercise other rights and powers to take Enforcement Actions under the Senior Finance Documents, except for in relation to any Super Senior WCF Cash Cover.

- (c) The Security Agent may refrain from enforcing the Transaction Security and/or Guarantees or take other Enforcement Actions unless instructed otherwise by the Instructing Party in accordance with Clause 12.2 (*Consultation*) but always subject to paragraph (e) below.
- (d) Subject to the Transaction Security or the Guarantees having become enforceable in accordance with its terms and subject to Clause 12.2 (*Consultation*), the Instructing Party may give or refrain from giving instructions to the Security Agent to enforce or refrain from enforcing the Transaction Security or the Guarantees as it sees fit, provided that the instructions are consistent with the Security Enforcement Objective.
- (e) Notwithstanding anything to the contrary in this Clause 12.1 (*Enforcement Actions and Enforcement Instructions*) and Clause 12.2 (*Consultation*), the Senior Representative may only give any Enforcement Instructions if the proceeds to be received from the proposed Enforcement Action are expected to amount to or exceed the amount of the Super Senior Debt.
- (f) The Security Agent is entitled to rely on and comply with instructions given in accordance with this Clause 12.1.
- (g) Unless and until the Security Agent has received instructions from the Instructing Party in accordance with this Agreement, the Security Agent shall (without first having to obtain any Secured Party's consent) be entitled to enter into agreements with an ICA Group Company or a third party or take any other actions, if it is, in the Security Agent's opinion, necessary for the purpose of maintaining, altering, releasing or enforcing the Transaction Security and the Guarantees, creating further Security or guarantees for the benefit of the Secured Parties or for the purpose of settling the Secured Parties' or the ICA Group Companies' rights to the Transaction Security, in each case in accordance with the terms of the Senior Finance Documents and provided that such agreements or actions are not detrimental to the interests of the Secured Parties.
- (h) The Security Agent is not authorised to act on behalf of a Secured Party (without first obtaining that Party's, or, with respect to Bondholders, the Bonds Agent's, consent) in any legal or arbitration proceedings relating to any Senior Finance Document or this Agreement.

12.2 Consultation

- (a) If any Representative wishes to issue Enforcement Instructions in accordance with paragraph (d) of Clause 12.1 (*Enforcement Actions and Enforcement Instructions*), such Representative shall deliver a copy of those proposed Enforcement Instructions (an "**Enforcement Proposal**") to the Security Agent and the Security Agent shall promptly forward such Enforcement Proposal to the other Representatives.

- (b) Subject to paragraph (c) below, if the Security Agent has received Conflicting Enforcement Instructions, the Security Agent shall promptly notify the Representatives and the Representatives shall consult with each other and the Security Agent (as the case may be) in good faith for a period of not more than thirty (30) days (or such shorter period as the Representatives may agree) (the “**Consultation Period**”) from the earlier of:
 - (i) the date of the latest such Conflicting Enforcement Instruction; and
 - (ii) the date falling ten (10) Business Days after the date on which the original Enforcement Proposal was delivered in accordance with paragraph (a) above, with a view to agreeing instructions as to enforcement.
- (c) The Representatives shall not be obliged to consult (or, in the case of subparagraph (ii) below, shall be obliged to consult for such shorter period as the Instructing Party may determine) in accordance with paragraph (b) above if:
 - (i) the Transaction Security and/or the Guarantees have become enforceable as a result of an Insolvency Event; or
 - (ii) each of the Super Senior Creditors and the Bondholders (represented by the Bonds Agent) agree that no Consultation Period is required.
- (d) If consultation has taken place during the Consultation Period (provided that if the Conflicting Enforcement Instructions were due to that a Representative did not submit Enforcement Instructions there shall be no requirement that consultation has taken place) there shall be no further obligation to consult and the Security Agent shall, provided that no joint Enforcement Instructions have been agreed during the Consultation Period (in which case such joint Enforcement Instructions will be applicable), act in accordance with the Enforcement Instructions then or previously received from the Instructing Party and the Instructing Party may issue instructions as to enforcement to the Security Agent at any time thereafter.
- (e) If:

- (g) Notwithstanding the foregoing, following an Insolvency Event in respect of a Group Company, the Super Senior WCF Creditor may take the same Enforcement Action as the Bonds Agent and/or the Bondholders in respect of that Group Company to the extent required to prove its debt in such insolvency.

Schedule 6

Agreed Security Principles

1. General legal and statutory limitations, financial assistance, corporate benefit, fraudulent preference, thin capitalisation rules, retention of title claims, employee consultation and approval requirements and similar principles may limit the ability of a Group Company to provide a guarantee or security or enter into subordination arrangements, or may require that such guarantee, security or subordination arrangement is limited by an amount or otherwise, provided that the relevant Group Company must use reasonable endeavours to overcome any such obstacle to the extent possible and practicable and if it can be done at a cost which is not disproportionate to the benefit of the Secured Parties obtaining the Security.
2. Group Companies will not be required to grant guarantees or enter into Transaction Security Documents if to do so would:
 - (i) not be within its legal capacity;
 - (ii) conflict with the fiduciary duties of any of its directors or contravene any legal prohibition or regulatory condition or have the potential to result in a risk of personal or criminal liability on the part of any officer or director (in each case as confirmed by a reputable local legal counsel in such jurisdiction); or
 - (iii) cause it or the Group to incur costs or other disadvantages (including legal fees, registration fees, stamp duty, taxes, notarial fees and other fees or costs directly associated with providing the guarantees and/or granting the security) that in the reasonable opinion of the Super Senior WCF Creditors are disproportionate to the benefit to the Secured Parties of obtaining such guarantees or security,provided that the relevant Group Company must use its best endeavours to overcome any such obstacle to the extent possible.
3. Before incurring material legal fees, disbursements, registration costs, taxes, notary fees and other costs and expenses relating to the granting of security, the Security Agent will consult with the Issuer in respect of the incurrence of such fees, costs and expenses and the Issuer shall at the Security Agent's request advance sufficient funds to the Security Agent prior to the Security Agent incurring such fees, costs or expenses. The Issuer and the Guarantors shall not be under an obligation to grant guarantees or Transaction Security over any assets which would impose a stamp duty, taxes, notary fees, translation fees, registration fees or similar costs or charges on any Group Company or the Security Agent unless such costs amounts to less than EUR 50,000 on an aggregate basis in respect of any financial year.
4. No entity which is acquired pursuant to a permitted acquisition shall be required to accede as an additional Guarantor or grant Transaction Security if prevented by the terms of the

documentation of its Financial Indebtedness or the security granted by it for so long as such Financial Indebtedness or security constitutes Permitted Debt or Permitted Security.

5. It is expressly acknowledged that in certain jurisdictions it may be impossible to give guarantees or to grant security over certain categories of assets in which event such guarantees will not be given and such security will not be granted over such assets.
6. In calculating the Guarantor Coverage Test, (i) any entity with negative EBITDA, revenue or assets shall be included in the calculations with zero EBITDA, revenue or assets(as applicable) and (ii) goodwill, intra-group items and investments in Subsidiaries shall be disregarded.
7. Any assets subject to pre-existing third-party arrangements which prevent those assets from being charged will be excluded from the relevant Transaction Security, provided that, if the relevant assets are material, the relevant Group Company has used its best endeavours to obtain consent to charging such assets.
8. The form of each Transaction Security Document shall be negotiated in good faith in accordance with the terms of these Agreed Security Principles (and any market standard in the relevant jurisdiction is thus, to the greatest extent possible under the governing law applicable in respect of the relevant Transaction Security Document, to be disregarded to the extent the relevant issue is already regulated by these Agreed Security Principles).
9. Any rights of set-off will only be exercisable in respect of matured obligations and after the occurrence of an Acceleration Event, subject to any applicable restrictions set out in the Finance Documents.
10. No perfection action will be required in jurisdictions where obligors are not located.
11. Transaction Security will not be enforceable until an Event of Default has occurred and is continuing and the relevant creditor or creditor representative has given notice of acceleration under the relevant finance document (an Acceleration Event).
12. Any powers of attorney under the Transaction Security Documents shall be granted on the date of the relevant Transaction Security Document and any such power of attorney shall thereafter only be issued upon request and upon the occurrence of an Event of Default which is continuing. However, the Secured Parties shall only be able to exercise any powers of attorney (including, but not limited to, in respect of voting rights appertaining to any shares) granted under any Transaction Security Document or have the right to receive any dividends if an Acceleration Event has occurred.
13. The Issuer and the Guarantors shall be permitted to pay and receive interest and, unless it may impair the perfection of the relevant Transaction Security, principal in relation to any Material Intragroup Loan being subject to Transaction Security unless an Acceleration Event has occurred. However, subject to the Intercreditor Agreement the Issuer and the Guarantors shall always be permitted to pay and receive interest and principal amounts in relation to any

Material Intragroup Loan being subject to Transaction Security, if such payments are made directly to the Secured Parties in order to fulfil the Secured Obligations. For the avoidance of doubt, any loans arising under any cash pooling permitted by the Senior Finance Documents shall not be subject to Transaction Security.

14. No joint venture or not wholly owned company will be required to provide a guarantee or asset security in respect of any other Group Company's obligations. No security will be required over investments or shares in joint ventures or any other companies not wholly owned directly or indirectly by the Issuer (including but not limited to shares owned by minority shareholders).
15. Save for as may be required in order to have a fully valid, perfected and enforceable security, the Transaction Security Documents will not operate so as to prevent transactions which are otherwise not restricted under the Finance Documents or require additional consents or authorisations.
16. The Transaction Security Documents will not contain any reporting requirements or information undertakings unless (A) such information and/or reporting is required by local law to perfect or register or maintain the security and, that this information can be provided without breaching confidentiality requirements or damaging business relationships or commercial reputation, and (B) such information and/or reporting is provided upon request by the Security Agent for the same reasons as set out in preceding paragraph (A).
17. The terms of the Transaction Security should not be such that they are unduly burdensome or interfere unreasonably with the ability of the relevant Group Company to conduct its operations and business in the ordinary course.
18. An acknowledgement, countersignature or confirmation on a notice of pledge or similar to be delivered in connection with the granting of Transaction Security or Guarantee by another party (other than a Group Company) shall (other than in respect of the Escrow Account Pledge Agreement) only be required to be collected and delivered by the relevant Group Company on a best effort basis. The same principle shall apply to registrations to be made in connection with any perfection of Transaction Security.
19. **Shares.** Share security will only be required in respect of a subsidiary of a Guarantor or the parent company of a Guarantor if such subsidiary or parent company is also a Guarantor and the pledgors will retain legal title to such shares and shall be entitled to exercise voting rights and receive any type of dividends until the occurrence of an Acceleration Event.
20. **Material Intragroup Loans.** The Issuer and the Guarantors shall not be under an obligation to grant Transaction Security over any claims pursuant to any cash pool arrangement or over any intra-group loans other than the Material Intragroup Loans. Any Transaction Security Documents in respect of Material Intragroup Loans shall unless otherwise agreed be governed

by the laws of the jurisdiction of incorporation of the creditor. No promissory notes will be issued in respect of any Material Intragroup Loans.

21. **Bank accounts.** All security over bank accounts shall be subject to the rights of the Issuer to request disbursements in accordance with the Bonds Terms and Conditions and any prior security interests and any other rights (including but not limited to set off rights) in favour of the account bank which are created either by law or in the standard terms and conditions of the account bank.
22. Notwithstanding anything to the contrary in these Agreed Security Principles, the Transaction Security Documents shall not create new commercial obligations and shall not contain additional or duplicate representations, warranties or undertakings to those set out in the Senior Finance Documents that are not required for the creation, perfection, validity, enforceability, effectiveness or preservation of the relevant Transaction Security as such (and, for the avoidance of doubt, precluding any representations, warranties or undertakings which only ensure the maintenance of the value of the underlying assets subject to the relevant Transaction Security). There shall not be any repetition or extension for clauses set out in the Senior Finance Documents such as those relating to cost and expenses, indemnities, stamp duty, tax gross up, distribution of proceeds, notices and release of security.
23. Guarantees and Transaction Security Documents relating to any Additional Guarantor will (to the extent relevant) be in the form consistent with those previously agreed in relation to existing Guarantors to the greatest extent possible under the applicable governing law and unless the Agreed Security Principles stipulate otherwise.
24. Subject to the above, all steps necessary to perfect, or legal formalities required to be carried out in connection with, any of the Transaction Security, will be completed as soon as practicable and, in any event, within the time periods which are customary or otherwise specified by applicable law.
25. Notwithstanding anything to the contrary in the Finance Documents, if the Security Agent is not satisfied that it does not need to be resident, incorporated (including by way of a branch office), registered or authorised in any jurisdiction or deposit any funds in any jurisdiction where the Security Agent, at the time the relevant Transaction Security shall be granted, is not resident, incorporated (including by way of a branch office), registered or authorised in, the Security Agent shall have a right to (without consent from any Secured Party) waive the requirement in any Senior Finance Document to grant that Transaction Security. Satisfaction in this respect should either be through the inclusion of such statement in a legal opinion or by any other legal statement from a well reputable law firm which in form and substance is acceptable to the Security Agent (acting reasonably).
26. The Security Agent shall have a right to consult with and rely on the instruction of the Super Senior WCF creditors and a local reputable legal counsel in a relevant jurisdiction (subject to prior approval by the Issuer of the fees of such legal counsel) in order to verify and confirm

compliance with the Agreed Security Principles in relation to any Transaction Security and/or Guarantee. Any reasonable costs for such local legal counsel shall be borne or reimbursed by the Issuer against invoice and the Security Agent is required to seek the Issuer's confirmation or approval prior to engaging such local legal counsel.
